President's Welcome

My personal association with NCBC since 1971 has allowed me to become involved in the lives of numerous students who have impacted their generation for Christ. Many of our graduates have planted churches, labored on the mission field, served in staff positions at their church, or taught in one of the many venues of Christian Service. For the first 28 years, the college aimed to serve only the needs of the greater San Francisco Bay Area. A major shift in purpose occurred in 1999, when NCBC went online (ncbc.net) and developed an "off-site distance-learning program." In 2004 NCBC joined with "Reasons to Believe" to offer a state-of-the-art tract of courses addressing Christian apologetics.

"Our 'off-site distance-learning center' has been designed to accommodate the working student who faces both time and distance restrictions."

Our distance-learning center has been designed to accommodate the working student or military service person who face both time and distance restrictions. With courses available on MP3, MP4, CDs, DVDs, Zoom or online, students can study at the time and place of their convenience. Commuters can listen on the way to work without having to take notes, knowing that each course comes with an extensive Course-Notebook, which contains a virtual copy of the professor's notes. Classes have been designed to avoid tedious memorization and to promote creative thinking. Self-pacing allows students to work at their own speed, while still holding to a defined schedule of completion and regular interaction via email with the instructor.

Many of our students are full-time teachers in Christian schools associated with ACSI (Association of Christian Schools International). NCBC's courses are approved by ACSI to satisfy the Certification requirements comprised of 'continuing education units' (CEUs). Throughout the past 49 years we have tried to maintain an evangelical yet contemporary approach to the study of the Bible, while believing in the present-day activity of the Holy Spirit. If you are sensing the call to increase your biblical knowledge, or perhaps 'tool-up' for a future career in ministry, Northern California Bible College can help provide you with a strong biblical foundation at a very reasonable price,

Pastor David G. Sell, President

Statement from the Faculty Chairman

Northern California Bible College was founded with a commitment to blend the Word of God with the power of the Holy Spirit. Forty-nine years later we stand proud of our graduates who pastor churches, serve as associate pastors, function as lay-leaders, or simply work the ministries of the local church.

When young leaders arrive with fresh vision to reach their generation, our job is to install sound biblical instruction, while continuously fueling their flame! In addition to the younger generation, many of our students are midway in life, now feeling the call to tool up for the years ahead; perhaps a second career in ministry awaits them.

We also believe that God is calling His Church into a fresh worldwide revival, requiring a vast supply of workers for the awaiting harvest. However God chooses to call our students—either into churches, businesses, missions, or home Bible studies—our goal is to teach them to live out God’s word, while being equipped in the power of the Holy Spirit.

Over the last 49 years NCBC has served the needs of students from hundreds of churches and various denominations. We also serve a growing network of “distance” students located throughout the United States and abroad. Some of our most dedicated learners are presently incarcerated in the California prison system; these men and women recently came to know the Lord and are now systematically studying the Bible. It is our privilege to invest in these true servants of Christ.

In the last several years we added five San Francisco Bay Area satellite locations. Our faculty brings to the table well over 100 years of pastoral experience, along with a strong academic grounding.

If you are considering entering into a systematic study of Scripture, you will find NCBC affordable, aligned with today’s culture, doctrinally supportive of the Spirit, and rich in biblical revelation.

Dr. Daniel J. Griffiths, Faculty Chairman

“Our job is to install sound biblical instruction, while continuously fueling their flame!”

Statement Of Faith

We believe in the inerrancy of Scripture, realizing that the original autograph copies were **inspired by God**, containing no textual fault.

2 Timothy 3:16

We believe that the Scriptures are the verbally inspired Word of God, and are the final source in all matters relating to **faith** and conduct.

2 Timothy 3:16; 2 Peter 1:20-21

We believe that the one true God is revealed through the Scriptures as Father, Son, and Holy Spirit. God has manifested Himself to mankind in the person of the Lord **Jesus Christ**.

1 John 1:1-3; John 15:26; Matthew 28:19

We believe that man was created good and in the **image of God** but through voluntary transgression is lost and spiritually dead.

Genesis 1:27; 2:16-17; 1 Corinthians 15:21-22; Romans 3:9-10

We believe that **redemption** may be obtained only through repentance toward God and faith in the Lord Jesus Christ. There is nothing a sinner can do to save oneself--except repent and call on the name of Lord Jesus Christ.

Ephesians 2:8-9; Romans 3:10-24; 6:23

We believe that **honest repentance** and faith toward Christ Jesus will produce a sanctified vessel and separation from the world of sin.

1 Thessalonians 4:3-8; 5:23

We believe in water **baptism** by immersion as commanded in the Scriptures for all who repent and believe on the Lord Jesus Christ.

Matthew 23:19; Acts 2:38; 10:48; Rom. 6:4

We believe in the "Baptism with the Holy Spirit" as a definite experience available to all believers, **evidenced** by power, joy, and the ability to speak in other tongues.

Matthew 3:11; Mk. 16:17; Acts 2:4; 11:16

We believe in miracles, prophetic utterances, and supernatural gifts given by the **Holy Spirit** to the church today.

1 Corinthians 12:7-11

We believe in the foundational ministries of the apostles, prophets, evangelists, pastors and teachers for the **church today**.

Ephesians 4:7-15

We believe in New Testament order and organization for the **local church**, and in the authority of indigenous church government.

Titus 1:59; 1 Timothy 3:1-13; Acts 6:17

We believe in the literal bodily return of the Lord Jesus Christ to earth again. He will return from heaven in **great glory and power**, climaxing this age with judgment on the ungodly and the resurrection and translation of the righteous.

Matthew 16:27; 24:30; Acts 3:20; 1 Thessalonians 4:16; 2 Thessalonians 1:7-8; 2:8; Jude 14-15; Revelation 1:7

Purposes and Objectives

Mission Statement:

The Mission of Northern California Bible College is to provide nationally accredited undergraduate local and distance biblical education.

That purpose could include any combination of the following primary objectives:

- 1.** To provide a strong grasp of the factual contents of the Bible, interpreted in a sound, scholarly, and spiritual manner.
- 2.** To better understand the truths of the Bible primarily for the personal enrichment of all students.
- 3.** To provide a way for students to earn either a Certificate Diploma, Associate of Arts degree, or Bachelor of Arts degree in Biblical Studies.
- 4.** To prepare students for a professional calling in part or full-time ministry.
- 5.** To prepare students who are Christian educators in an A.C.S.I. Elementary, Junior High, or High School to earn Continuing Education Units.
- 6.** To maintain national accreditation and continue in good standing with Transnational Association of Christians Colleges and Schools (TRACS).
- 7.** To create an educational model for startup Bible Colleges in foreign countries to follow, as well as help them become established as the Spirit leads.

Program Objective

The Program Objective of Northern California Bible College is to provide the student with a wide-ranging balance of biblical education drawing from New Testament Studies, Old Testament Studies, Biblical Theology, Practical Ministry, and Hermeneutics. Hence, the earned degree is a Bachelor of Arts in the field of Biblical Studies.

Additional supportive objectives include:

1. Providing an understanding of Apologetics and Christian Counseling skills
2. Preparing students to for either a part-time or full-time career in professional ministry.
3. Enabling students already employed in Christian Education to earn “continuing education units” to satisfy their ACSI requirements.

Philosophy of Education

Based on our conviction of the inerrancy of Scripture as found in our Statement of Faith, all teaching and learning must of necessity flow from the concepts of education found in the Bible. These include:

- The imperative of wisdom (Deuteronomy 4:6; Job 12:13; Psalm 51:6; Proverbs 2:6, 3:13)
- The need for proper instruction (Exodus 24:12; Job 33:16; Proverbs 1:7; 1 Thessalonians 4:1)
- The command for change (Romans 12:2; 2 Corinthians 3:18)
- The requirement for learning (Deuteronomy 5:1; Psalm 119:71; Jeremiah 10:2; Matthew 11:29)
- The obligation of humility (Proverbs 15:3; Philippians 2:3; 1 Peter 5:5)

Northern California Bible College is an organization that honors Jesus Christ and brings glory to God by seeking to develop individuals to perceive all aspects of their lives as a sacred calling of God.

Every lesson/course remains consistent with generally accepted biblical interpretation established by generally accepted rules of hermeneutics, as presented by Conner K.J. & Malmin K. *Interpreting the Scriptures* (1983) City Christian Publishing, Portland, Oregon

Along with the individually chosen coursework, the NCBC philosophy of education includes the idea that the shared life of the instructor is as relevant to the overall learning experience of the student than the actual content of a course. Hence, those selected to teach, be it online or on campus, must model the careful attention of their own spiritual development and humbly reveal that to the students whenever possible. Following the idea that “you teach a little by what you say, more by what you do, but most of all by who you are”, it is imperative that all NCBC employees, but particularly the instructors, make conscious efforts to reveal their personal efforts to grow in Christlikeness, whatever that may be.

Statement of Ethical Values and Standards

It shall be the practice that all individuals, committees, instructors, Board members, and employees of Northern California Bible College (NCBC) shall conduct themselves when representing the College in a manner that follows Biblical guidelines and brings honor to Jesus Christ.

Specifically, these guidelines include but are not limited to the following:

1. Submitting to the authority of the Scriptures in all manner of faith and conduct at the control of the Holy Spirit. (2Tim. 3:16-17)
2. Honesty in communication. This includes truthfulness as well as that no relevant information shall be withheld in any communication, verbal or written.
3. Kindness and respect shall be demonstrated toward all individuals with whom any NCBC employee shall come into contact with during the fulfillment of their employment responsibilities. (Gal. 5:22)
4. All reports shall be complete, timely, accurate, and provide the information necessary for decision-making and accreditation.
5. Any employee or Board member shall self-disclose any potential conflict of interest, be it financial or personal, in respect to their affiliation with NCBC.
6. Refraining from any conduct that will reflect discredit upon the Lord and offend a weaker believer. (1Cor. 10:31)

Associate of Arts in Biblical Studies

The Associate of Arts in Biblical Studies degree is a two-year degree offered to students for the purpose of providing an understanding of the primary doctrines of the Bible, as well as a deep understanding of the life and ministry of Jesus Christ and a selected number of specific books of both the Old and New Testaments. General Education requirements must be completed from the college of the students' choice.

Required core classes: Life of Christ 1 and 2, Acts, Romans, Spirit of Man, Spirit of God, and The Satanic Spirit, Genesis. These eight NCBC courses are required for the Associates degree.

- General knowledge of the content of Scripture
- Knowledge and skills for accurate Biblical interpretation and application to life situations.
- Students will make decisions in doctrine, life, and ministry based on the foundation of the Bible.
- Exhibit the Christian faith in contemporary culture, having developed a biblical worldview and apologetic for Christian values and conduct.

Bachelor of Arts in Biblical Studies

The Bachelor of Arts in Biblical Studies degree is a four-year degree offered to students for the purpose of providing the academic preparation for real life applications which allow students to think clearly, examine their Christian heritage, write distinctively, form a comprehensive biblical theology and worldview, and to communicate the gospel effectively. Classroom lectures and interaction, study times, and research and writing provide the challenge necessary to expand the students' biblical theology which results in a profound appreciation for creation, life, and truth. The degree program operates on a quarter system of three twelve-week terms per academic year from September through June. The Bachelor's Degree qualifies graduates to pursue further theological or ministerial training at an accredited Seminary.

Required core classes. Life of Christ 1 and 2, Acts, Romans, Spirit of Man, Spirit of God, The Satanic Spirit, Genesis, Life of David, Moses, Hermeneutics, one of the three Mental Health courses and Revelation. These 13 NCBC courses are required for the Bachelors' degree.

Our Typical Student

Most of our students fall into one of the following categories:

- Currently in, or pursuing full-time ministry, while finding it necessary to complete their Bible college education on a part-time basis.
- A Christian lay-person who has a strong interest in the Bible, wanting to study in more depth than may be available at the local church level.
- A teacher in a Christian school, required to continue their biblical education by earning CEUs in order to maintain their ACSI credential.
- Enlisted in the military, often taking courses overseas.

Students' letters speak of their experience with Off-Site Learning:

"This past summer nine of our faculty continued their biblical education at NCBC, while also earning CEUs to satisfy their requirements with A.C.S.I."

*Jeri Schall, Former Principal,
Valley Christian Elementary, Dublin, CA*

"I want to thank you for this fascinating study. Quite honestly, I was not looking forward to listening to 24 CDs, but after the first one I was 'hooked.'"

Kelli Mori, Modesto, CA

"Given family and work demands, finding time to study and extend one's knowledge of the scripture is probably a large challenge for many folks, as it has been for me. But with NCBC's off-site learning program, it has allowed me the opportunity and flexibility to continue with my desire to continue studying the word of God.

All the courses taken to date have far exceeded my expectations, and the topics and lectures have been terrific. In summary, the learning has been great and having a Bible college within reach has been a major convenience. With my daily commute time to work averaging one hour each way, I have also been able to take advantage of these unproductive driving periods to listen to the lessons while I meditate on the words. Typically, I would listen to the same CD three to four times during the course of the week's driving; during the weekend time to write up the assignments."

Degree Program

Northern California Bible College is a member of the Transnational Association of Christian Colleges and Schools (TRACS) [15935 Forest Road, Forest, VA 24551; Telephone: (434) 525-9539; e-mail: info@tracs.org], having been awarded Candidate Status as a Category II institution by the TRACS Accreditation Commission on April 24, 2018

This status is effective for a period of up to five years. NCBC plans to complete the accreditation process in 2021, well within the five-year deadline. TRACS is recognized by the United States Department of Education (USDOE), the Council for Higher Education Accreditation (CHEA), and the International Network for Quality Assurance Agencies in Higher Education (INQAAHE).

What does it mean to have received “Candidacy status” in 2018?

Accreditation is a process that is granted in stages or at different levels. With each milestone achieved by the institution comes a recognition that the institution has achieved a certain level in that accreditation process. Candidacy (or pre-accreditation as it is sometimes called) is simply the first level of recognition in the accreditation process. Candidacy allows institutions to apply for and potentially participate in Federal Financial Aid programs and also opens the door for transferability of credits to other accredited institutions and acceptance to graduate schools. In that sense, there is very little distinction between institutions that hold “Candidate” status and “Accredited” status.

NCBC currently does not participate in federal or state financial aid programs even though NCBC is eligible to do so.

Every student that graduates from NCBC, while NCBC holds status with TRACS, graduates from an accredited institution.

Bachelor of Arts in Biblical Studies (B.A).

180 quarter units are required for graduation. This is considered a four-year Bachelor of Arts degree. To receive this degree, the student must earn at least 45 quarter units in the field of general education from a private, junior college, or state university. The balance of the 135 units is taken from the curriculum offered at Northern Calif. Bible College. Up to an additional 90 quarter units in other fields can be transferred from other accredited schools, in addition to the 45 units of general education.

Associate of Arts in Biblical Studies (A.A).

90 quarter units are required for graduation. This is considered a two-year Associate of Arts degree. To receive this degree, the student must earn at least 23 units in the field of general education from a private or junior college or state university. The balance of the 67 units is taken from any four of the seven following categories: New Testament Writings, Old Testament Writings, Theological Studies, Practical Ministry, Interpretive Skills, Apologetics and Counseling Skills.

Certificate/Diploma in Biblical Studies

The Certificate/Diploma in Biblical Studies program is for those persons seeking formal recognition of their commitment to systematically study the Bible, yet not pursuing a formal accredited degree. The student is required to complete any 15 of the courses offered by NCBC with full participation in the assignments and exams. The completion of the Certificate/Diploma program leads to participation in the graduation ceremony while being awarded a diploma that reads, "Certificate in Biblical Studies."

The cost for this program is about one half the tuition price for accredited classes. Students are required to also purchase all required textbooks.

A recommended course of study would include:

Life of Christ 1	Spirit of Man	Old Testament Survey
Life of Christ 2	Spirit of God	Romans
Acts	Book of	Prison Epistles
Genesis	Revelation	Christian's Mental Health
Life of Moses	New Testament	Hebrews
Life of David	Survey	

Should students ever choose to upgrade to "credit" status, they simply pay the difference in tuition, assuming that all the course work has been completed and they meet all graduation requirements.

Notice to Prospective Degree Program Students

This institution is provisionally approved by the Bureau for Private Postsecondary Education to offer degree programs. To continue to offer this degree program, this institution must meet the following requirements:

- Become institutionally accredited by an accrediting agency recognized by the United States Department of Education, with the scope of the accreditation covering at least one degree program.
- Achieve accreditation candidacy or pre-accreditation, as defined in regulations, by (date two years from date of provisional approval), and full accreditation by (date five years from date of provisional approval).

If this institution stops pursuing accreditation, it must:

- Stop all enrollment in its degree programs, and
- Provide a teach-out to finish the educational program or provide a refund.

An institution that fails to comply with accreditation requirements by the required dates shall have its approval to offer degree programs automatically suspended.

On-Site Learning Program

One of the purposes of the on-site courses is to serve as the “recording studio” for classes which later become part of the Distance Learning curriculum.

The majority of NCBC’s curriculum is offered at our four campuses in San Jose, Dublin, Pleasanton and San Leandro.

San Jose, California

Cathedral of Faith: In San Jose, classes are

held at the Cathedral of Faith (Horton Youth Center, Rooms 208 & 209). The address is 2315 Canoas Garden, San Jose, 95125.

Redemption Church: Courses are offered each quarter in the Jr. High School room located at 161 Nortech, San Jose, 95134, just off 1st Street and Highway 237. Courses taken from Jubilee Bible College are transferrable into NCBC’s degree programs.

Pleasanton, California

The Fountain Church: In Pleasanton, classes are held at the Fountain Church (room 230). The address is 4439 Stoneridge Dr., at the corner of Stoneridge Dr. and Santa Rita Rd (94588).

San Leandro, California

Faith Fellowship: In San Leandro, classes are held at Faith Fellowship Church, located at 577 Manor Blvd., San Leandro, 94579

Live Zoom Classes

Every live class can also be taken through Live-Zoom in the comfort of your own home. Assignments are emailed to the teacher.

Each class meets for two hours with a ten-minute break in the middle. Courses traditionally run for 12 weeks and follow the quarter system. Each quarter a different selection of courses is offered; each is listed and described in the catalog under “Description of Courses.” A course schedule is published each quarter and available upon request. New quarters begin in September, January, and April.

One of the purposes of the on-site courses is to serve as the “recording studio” for classes which later become part of the Distance Learning curriculum. Each classroom is equipped with high level audio and video equipment, and each class session is recorded. Questions asked by the students, as well as in-class discussion are always included as part of the recording. Copies of these courses are available on CD, or DVD, or MP3.

Students sign up for On-Site courses by first filling out all registration materials on Populi, NCBC’s Student Management System, and paying their one-time registration fee.

Off-Site Distance Education

Northern California Bible College's primary focus is its Distance Learning Program. This makes it possible for students to complete their degree exclusively through distance education, made available through DVDs, CDs, MP3s, MP4s, Livestreaming, or through our online format. Students may also request course content through DVDs, CDs, MP3s, MP4s upon special request; however, the primary medium for viewing course content is livestream or online.

All six formats (DVDs, CDs, MP3s, MP4s, Livestreaming, online format) must include regular interaction with the instructor and be completed within the same 12-week timeframe of any specific quarter. Students are required to submit homework assignments via email along with comments or questions to the instructor at least twice monthly. The "open book" final exam is taken online through Populi (NCBC's student management system). NCBC instructors will respond within 7 working days to all assignments and questions.

All distance course video content is viewed online through Populi, NCBC's Student Management System.

Students enrolling in distance learning will receive a login password and instructions how to download the video recorded lessons. Exams are also taken online through Populi; all assignments are emailed to their instructor and received back within 7 working days.

Students enrolled in the on-site program often find it helpful to supplement their program by adding certain distance-courses. This usually occurs when a desired course will not be taught again on campus in the immediate future.

ONLINE FORMAT COURSES:

Students may take any of the available courses online. Students have access to a video and audio feed of all the lectures when taught live, and also receive a written transcript of all the lecture materials needed.

The online format is convenient and adaptable to a busy work and family schedule. For students who enjoy studying independently, this program allows you to engage in class lectures at any time through a laptop or desktop computer, or through a smart phone or tablet device. The course note outlines are provided in electronic format, or a printed version can also be purchased.

Getting Started:

- Students enter the Registration process by logging into ncbc.net/apply
- After filling out and submitting the information, the student will receive a username and password allowing them to register for their class.
- Before registering go to ncbc.net and scroll down to four short videos on how to register on Populi.
- Select the class of your choice and then register for that course at ncbc.populiweb.com
- All payments are made on Populi.
- Once payment has been received the textbook will be sent, along with login instructions to view your class.

The NCBC Virtual Resource Center and Student Resources Blog

NCBC doesn't have a physical library. However, we do have a collection of online and electronic resources that will continue to grow. These resources

can be anything from journals and articles, to Bible study tools, to writing and research help. Since NCBC students cannot physically "go" to the library, we have created a virtual space for students to visit that will help meet their information needs. Hence the name, Virtual Resource Center. This online space can be found on the NCBC website.

In lieu of subscriptions to online databases of knowledge, it is important for students to purchase a robust Bible study software, such as Accordance or Logos, which will provide the student with an extensive library and dynamic search and study tools. With this in mind, the purchase of either Accordance or Logos is in fact required of those wishing to graduate with a degree from NCBC and is highly encouraged for audit and non-degree students.

In addition to purchased Bible study software, the NCBC Student Resources Blog has been created as a space to assist with writing and research, computer literacy, information literacy, and offers lists of free online resources students may peruse and reference at their own discretion. The blog can be accessed via the Virtual Resource Center homepage, along with some helpful instructional videos.

The NCBC Librarian

The librarian will provide tools and advice for becoming information literate and will help students look critically at the quality and trustworthiness of the information they have gathered, which is a crucial step in the creation of college level papers and presentations.

Course Descriptions

NEW TESTAMENT WRITINGS

NT 101/New Testament Survey 3 units

Each book of the New Testament makes its own unique contribution to the overall construction of the New Testament. In addition to the information regarding authorship, dates, and concurrent themes, the students will gain a new appreciation for the overall unity of the New Testament.

NT 201/Life of Christ 1 3 units

A verse-by-verse approach to the four Gospels provides a unique glimpse into the ministry and nature of Christ. The student will become familiar with historical customs of the day, prophetic fulfillments, and spiritual applications. The subject material covers the first half of Jesus' 3 1/2 year ministry.

NT 202/Life of Christ 2 3 units

A continuation of Life of Christ 1. Special emphasis is given to the final days leading up to and including the crucifixion, resurrection, and ascension.

NT/203/Acts 3 units

The Book of Acts shouts the excitement of an early Church alive with the mission to evangelize the world. The student relives the drama of apostolic leadership in the heat of the revival, persecution, and converting the multitudes. Practical keys to church growth are also analyzed throughout the course.

NT 301/Romans 3 units

One cannot fully appreciate his or her salvation through Christ without understanding the Book of Romans. The course attempts to explain subjects such as justification, adoption, predestination, grace, and faith. The study also includes insights

into God's plan for Israel, the seven motivational gifts of ministry, and the circumstances surrounding the church at Rome.

NT 302/Corinthians 3 units

1 Corinthians is one of the most practical and far reaching epistles of the Christian faith, addressing topics ranging from: spiritual mindedness, Christian love, marriage and sexuality, law suits, carnality, the resurrection, and spiritual gifts.

In 2 Corinthians Paul addresses a laundry list of accusations made against him by the church that he started and loved. These books bring us deep into the hurting heart of our beloved Apostle, while showing us how to properly handle unfair accusations.

NT 303/Prison Epistles 3 units

The letters to the churches of Ephesus, Philippi, and Colossae, otherwise known as the Prison Epistles, contain some of Paul's deepest revelations. As we go through these key books of the New Testament we discover vital insights into the structure of the church, the mysteries of the kingdom, and the high call of each believer.

304/Pastoral Ministry 3 units

The study of 1 & Timothy and the epistle to Titus have been deemed the Pastoral Epistles of Paul. In these letters we discover Paul's true heart toward caring for God's people, and how he poured himself into these two younger men who would carry on after Paul was gone. In the first hour of each session we will explore these epistles verse by verse. The second hour will be devoted to a pertinent topic on the subject of pastoral ministry.

NT 305/Hebrews**3 units**

The study through the Book of Hebrews will attempt to answer the mysterious question as to the book's authorship. From there the course focuses upon explaining each verse through each chapter, emphasizing the role of the New Testament priesthood, the supremacy and sacrifice of the Lord Jesus Christ, along with a collection of such themes as "Entering into God's Rest" and "the Hebrews Hall of Faith."

NT 306/General Epistles**3 units**

The General Epistles include the letters by James, Peter, John and Jude, otherwise referred to as James, 1 & 2 Peter, 1,2,3 John, and Jude. The course will take the student through each of these seven epistles verse by verse. Emphasis will be given to the primary message of each writer, and how their words merge with the activity of the growing church at this time in history.

NT 307/Life of Paul**3 units**

This course devoted to the Apostle Paul, traces his transition from "ruthless Pharisee" to "Apostle to the Gentiles." Paul's strengths, struggles, writings, and journeys take on a fresh new understanding when examined in particular detail.

NT 308/Revelation**3 units**

The return of Christ has been called our "blessed hope." In mysterious detail, the Book of Revelation prepares the way for that final event. As much as possible, the course attempts to clarify those predicted events yet to come. When diverse interpretations occur, the strengths and weaknesses of each major view will be analyzed and evaluated.

NT 401/The Historical Jesus**3 units**

This course addresses the challenges that come from popular culture, as well as liberal theologians concerning the historicity of Jesus' life, death and resurrection. From there, the course presents ten different sides of the person of Jesus. They range from Jesus the Son of God, to the Son of Man, the Miracle Worker, the Master Teacher, the Redeemer, the Shepherd, and finally the Savior of the world.

OLD TESTAMENT WRITINGS**OT 101/Old Testament Survey****3 units**

This is a “must” class for those living near the time of end!

301 Systematic Theology 1

3 units

The purpose of this class is to better understand the basics of our Christian faith, both for personal development and for engaging others. It is often thought that theology is only for professional theologians; however, every person is a theologian. Everyone has beliefs about God and how we relate to Him, shaping the way we behave in every sphere of life. Systematic Theology will provide an introductory study of the doctrines of God, Jesus, the Holy Spirit, man, sin, salvation, and more. Such understanding allows us to live more biblically informed in our contemporary situation.

All of this will be done in order to understand the necessity and implications of Biblical Theology for all ministry in the local church.

Jesus said, “I must proclaim the good news of the kingdom of God to the other towns also, because that is why I was sent” (Luke 4.43). The central message of Jesus was indeed the Kingdom of God, and it remains at the heart of what Christians are to live and proclaim today. PM 104/ Kingdom Discipleship **3 units**

The last words of Jesus before ascending to heaven were that we are “to make disciples of all nations” (Mt. 28:19-20). In order to make disciples, we must first become disciples. If you have ever said, “I wish someone had discipled me,” then, this is the course for you. Building upon biblical insights and principles, the goal of this class is that you will become more like Christ and ready to fulfill your part in the Great Commission.

PM 104/ Kingdom Discipleship **3 units**

Rather than a doctrinal class on the subject of healing, this course will focus upon the dynamic connection

between the prophetic and the miracles of healings. Most healings are unique to the person being healed; students will learn how to wait on God for the precise direction on how to approach their healing. Students will receive prayer in Zoom break-out rooms. Journals will also be kept in conjunction with their road to complete recovery. This approach will resemble the approach introduced by John Wimber years ago.

with him. The student will also look in depth at the process and stages of spiritual growth with respect to God's ultimate destination for His people.

CS 311/ My Identity in Christ 1 **3 units**

The reason why so many Christians suffer from low self-esteem is because they don’t know who they actually are in Christ. When our eyes open to what God’s word clearly says, we begin to see ourselves healthy, loved, and fully capable to take on life’s many challenges. Some of the subjects we’ll explore include what it means to be “more than a conqueror,” “accepted in the beloved,” “a new creation in Christ,” “able to do all things,” “fearfully and wonderfully made,” and we’re just getting started!
