

NCBC Articulation Agreement - GSOM

Northern California Bible College has assessed the transferability of Gateway School of Ministry's (GSOM) core curriculum. Carol Cobb leads and assesses the program at GSOM and provided this detailed summary of the student learning environment.

Summary of GSOM Curricular Requirements assessed by Carol Cobb.

- Various class hours by well-equipped instructors (does not include books)
- Various Cohort hours and small group interactions guided or overseen by a leader.

The GSOM program has been assessed to have specific learning objectives and categories of learning. Each 9-month program has around 15 hours of lecture/instruction supplemented by outside reading and cohort interactions.

Year one (level 1) of GSOM will earn students the following undergraduate credits

- 4 quarter units of credit.

Year two (level 2) of GSOM will earn students the following undergraduate credits

- 4 quarter units of credit.

Please Note: The units can be used toward a degree at NCBC. These units will not turn into NCBC units for transfer anywhere else. They will be used for internal accounting toward an NCBC degree, but will not be written into the NCBC transcript if a student transfers before completing their degree.

*Standard residency unit requirements at NCBC still exist. All GSOM units are treated as GE-level transfers.
